

Curriculum Vita

Prof. Seyyed Amin Ayatollahi Mousavi
Professor in Medical & Molecular Mycology
Faculty Medicine » Department Parasitology and Mycology

Contacts information

Phone

+98(341)3221676

Mobile

+989133418009

Address

Dept. of Medical Mycology & Parasitology, Faculty of Medicine, End of 22 Bahman Blvd., Kerman - IRAN

Email

aminayatollahi@kmu.ac.ir

Educations

Tehran University of Medical Sciences

Master Degree Medical Mycology Thesis: Study of actinomycetes and fungi in Kerman 1988-1991

University of Manchester (UK)

PhD Medical Mycology Thesis: Apoptosis in *Aspergillus fumigatus* 1997-2002

University of Manchester

Postdoctoral Molecular Biology in Mycosis 2007-2008

Honors and awards

First Researcher in the Uk

Research

University Top Researcher

Research

Faculty of Medicine Top Researcher

Research

Scientific member of 12th congress of clinical microbiology

Scientific Member

Scientific Member of 5th medical mycology congress

Scientific Member

Interests

Aerobic sports
Reading history books
Reading Poem

Languages

English
Fluent
Arabic
Elementary level

Organizations

Educational Office
Head of Educational affairs 1991-1992
Financial office
Head of financial affairs 1993-1994
Scholarship office
Head of scholarship affairs 2002-2004
Publication affairs
Member of Publication Committee 2007-so far
Credit Comparing Committee
Member of Credit Comparing Committee 2006-2009
Sabbatical committee
Member of sabbatical Committee 2009-so far
Faculty of paramedicine
Dean 2011-2012
Faculty of Medicine
Student Advisor 2002-so far
Ministry of Health & Medical Education
Member of Medical Mycology assisment Board 2009-so far
Kerman Medical University
Director of Post Grad. Study 2019/01/14-so far

ResearchProposals

Study of the prevalence of T. capitis in the Kerman schools
Finished 1995-1996
The relation between NO & protein in endemic regions of Iran For Malarias
Finished 2002-2003
Study of prevalence of cutaneous Mycosis in patients in medical mycology lab

Finished 2002-2003

Study of physicochemical properties & Fungal and parasitological contamination in Kerman pools

Finished 2003-2004

Antifungal effects of the three formulations of *Myrtus communis*

Finished 2003-2004

Study of the effects of *Myrtus communis* on the rate of attachment of *C. albicans*

Finished 2004-2005

The study of the frequency of candidiasis in AIDS patients in Kerman triangular clinics

Finished 2006-2007

Separation of antifungal component of *Myrtus communis* against dermatophytes by bioautography method

Finished 2006-2007

Frequency of oropharyngeal candida colonization and infection in patients receiving radiation

Finished 2007-2008

Rate of candida colonization in normal skin and Exomatosus in children with Atopic Dermatitis

Finished 2007-2008

The evaluation of the effects of colloid & spray of nanosilver against *Aspergillus flavus*

Finished 2009-2010

The effect of nanoparticle of silver against *T. mentagrophytes*, *M. canis* & *M. gypseum*

Finished 2008-2010

A Prevalence rate of mycosis in Kerman educational hospitals

Finished 2010-2011

The effect of nanosilver on the production of aflatoxin

Finished 2010-2011

Antifungal effects of mouthwash with fluconazole new formulation on *Candida albicans*

Finished 2011-2012

Separation of the bacterial & Fungal agents from external otitis

Finished 2010-2011

Antidermatophytic effects of Actinomycetes separated from Kerman city soil

Finished 2011-2012

Separation of the antifungal parts of *Myrtus communis* L

Finished 2010-2011

The study of antifungal effects of nano-selenium

Finished 2011-2012

Changes in biochemical agents in HIV and addicted Patients

Finished 2012-2013

Aspergillus fumigatus in COPD patients in Sari Hospitals

Finished 2012-2013

Comparing the antifusarium effects of actinomycetes and nanosilver

Finished 2013-2014

The first time report of Actinomyces sequencing alignment (Nucleotide),

Finished 2014-2015

Molecular diagnosis of Actinomyces against azole drug resistance fungi separated from patients

Finished 2014-2015

Antifungal Effect of ten herbal methanol extracts

Finished 1996-1997

Study of the Aspergillus infection in hundred bronchoscopy samples

Finished 1996-1997

Research Proposals

Study of the prevalence of T. capitatus in the Kerman schools

Finished 1995-1996

The relation between NO & protein in endemic regions of Iran For Malaria

Finished 2002-2003

Study of prevalence of cutaneous Mycosis in patients in medical mycology lab

Finished 2002-2003

Study of physicochemical properties & Fungal and parasitological contamination in Kerman pools

Finished 2003-2004

Antifungal effects of the three formulations of Myrtus communis

Finished 2003-2004

Study of the effects of Myrtus communis on the rate of attachments of C. albicans

Finished 2004-2005

The study of the frequency of the candidiasis in AIDS patients in Kerman triangular clinics

Finished 2006-2007

Separation of antifungal component of Myrtus communis against dermatophytes by bioautography method

Finished 2006-2007

Frequency of oropharyngeal candida colonization and infection in patients receiving radiation

Finished 2007-2008

Rate of candida colonization in normal skin and Exomatosus in children with Atopic Dermatitis

Finished 2007-2008

The evaluation of the effects of colloid & spray of nanosilver against Aspergillus flavus

Finished 2009-2010

The effect of nanoparticle of silver against T. mentagrophytes, M. canis & M. gypseum

Finished 2008-2010

A Prevalence rate of mycosis in Kerman educational hospitals

Finished 2010-2011

The effect of nanosilver on the production of aflatoxin

Finished 2010-2011

Antifungal effects of mouthwash with fluconazole new formulation on Candida albicans

Finished 2011-2012

Separation of the bacterial & Fungal agents from external otitis

Finished 2010-2011

Antidermatophytic effects of Actinomycetes separated from kerman city soil

Finished 2011-2012

Separation of the antifungal parts of Myrtus communis L

Finished 2010-2011

The study of antifungal effects of nano-selenium

Finished 2011-2012

Changes in biochemical agents in HIV and addicted Patients

Finished 2012-2013

Aspergillus fumigatus in COPD patients in Sari Hospitals

Finished 2012-2013

Comparing the antifusarium effects of actinomycetes and nanosilver

Finished 2013-2014

The first time report of Actinomyces sequencing alignment (Nucleotide),

Finished 2014-2015

Molecular diagnosis of Actinomyces against azole drug resistance fungi separated from patients

Finished 2014-2015

Antifungal Effect of ten herbal methanol extracts

Finished 1996-1997

Study of the Aspergillus infection in hundred bronchoscopy samples

Finished 1996-1997

Conference papers

1. Mahmoudvand H, Sepahvand A, Jahanbakhsh S, Ezatpour B, Ayatollahi Mousavi SA, Evaluation of Antifungal Activities of the Essential Oil and Various Extracts Of *Nigella sativa* and Its Main Component, Thymoquinone against Pathogenic Dermatophyte Strains
2nd Int. & 4th National Medical Mycology Congress, SHIRAZ, 3, 12, 2015
2. Ayatollahi Mousavi A1*, Rezai S2, Goudarzi Effects of Aspirin as an Anti-Inflammatory Drug on Azole- Resistant *Candida glabrata* in Invitro
2nd Int. & 4th National Medical Mycology Congress, SHIRAZ, 3, 21, 2015
3. Hadizadeh S, Forootanfar H, Shahidi Bonjar GH, Badali H, Karamy Robati A, Ayatollahi Mousavi SA, Amir porrostami S Antifungal Activity of Terrestrial *Streptomyces rochei* Strain HF391 against Clinical Drug-Resistant Isolate of *Aspergillus Fumigates*,
2nd Int. & 4th National Medical Mycology Congress, SHIRAZ, 3, 12, 2015
4. Izadi A, Ayatollahi Mousavi SA The most Common Fungal Infections in Opium Addicted persons in Kerman
2nd Int. & 4th National Medical Mycology Congress, SHIRAZ, 3, 24, 2015
5. Keikha N, Ayatollahi Mousavi SA, Yadegari MH, Fouladi B The Assessment of Fungal Air Flora of Zahedan City during 2014
2nd Int. & 4th National Medical Mycology Congress, SHIRAZ, 3, 42, 2015
6. Ayatollahi Mousavi SA, Pourtalebi S, Inhibitory Effects of Silver Nano Particles on Growth and Aflatoxin B1 Production by *Aspergillus parasiticus*
2nd Int. & 4th National Medical Mycology Congress, SHIRAZ, 3, 65, 2015
7. Salari S, Ayatollahi Mousavi SA, Hadizadeh S In Vitro Antifungal Efficacy of Nano-Silver Particles against *Aspergillus flavus* and *Aspergillus fumigatus*
2nd Int. & 4th National Medical Mycology Congress, SHIRAZ, 4, 24, 2015
8. Salari S, Ayatollahi Mousavi SA, Ghasemi Nejad Almani P Induction of Experimental *Pneumocystis carinii* Pneumonia in Immunodeficient Mice and Rats
2nd Int. & 4th National Medical Mycology Congress, SHIRAZ, 3, 24, 2015
9. Salari S, Ayatollahi Mousavi SA, Hadizadeh S Evaluation of Anti Dermatophyte Activities of Silver Nanoparticles
2nd Int. & 4th National Medical Mycology Congress, SHIRAZ, 4, 42, 2015
10. Shahi Ivrih M, Nabili M, Ayatollahi Mousavi SA, Badali H *Aspergillus* Colonization in Patients with Chronic Obstructive Pulmonary Disease (COPD)
2nd Int. & 4th National Medical Mycology Congress, SHIRAZ, 3, 42, 2015
11. Ayatollahi Mousavi SA Metacaspases activity is similar to caspases in human body
3rd congress of medical mycology, Iran (Tehran), 2014
12. Ayatollahi Mousavi SA Metacaspase activity in *Aspergillus parasiticus* treated with various conc. of AmB
15th congress of medical microbiology, Iran (Tehran), 2014
13. Ayatollahi Mousavi SA Identification of *Candida* species isolated from oral colonization in Iranian HIV-positive by PCR-RFLP method
7th Int. Iranian Congress of Clinical Microbiology, Iran (Shiraz), 2013
14. Somayyeh Pourtalebi, Seyyed Amin Ayatollahi Mosavi, Sanaz Hadi Zadeh Effect of silver nano- particles on growth of aflatoxigenic fungus, *Aspergillus parasiticus*
2nd Congress in Medical Mycology, Iran (Ahwaz), 2012
15. Farzad Doostishoar, Abdolreza Hasanzadeh, Seyed Amin Ayatollahi Mousavi Deuterium effect on the growth of the fungus *Aspergillus fumigatus* and *Candida albicans*
2nd Congress in Medical Mycology, Iran (Ahwaz), 2012

16. Naser Keikha, Gholamhosein Shahidi Bonjar, Seyyed Amin Ayatollahi Mousavi Electron microscope studies of actinomycete isolates Kn10 and 115 with antifungal effect against *Microsporum gypseum*

2nd Congress in Medical Mycology, Iran (Ahwaz), 2012

17. Seyyed Amin Ayatollahi Mousavi, Samira Salari, Sasan Rezaie, Naser Shahabi Nejad, Sanaz Hadizadeh, Hossein Kamyabi, Hossein Aghasi Identification of *Candida* species isolated from oral colonization in Iranian HIV-positive patients by PCR-RFLP

2nd Congress in Medical Mycology, Iran (Ahwaz), 2012

18. Hadizadeh S., S. A. Ayatollahi Mousavi Epidemiology of candidiasis in patients referred to the medical mycology lab, Afzalipoor Faculty of Medicine, Kerman

2nd Congress in Medical Mycology, Iran (Ahwaz), 2012

19. Karamii A, Ayatollahi Mousavi S.A., Madani M., Hadizadeh S Epidemiological and Microbiological study of fungal disease in educational hospital, Kerman

2nd Congress in Medical Mycology, Iran (Ahwaz), 2012

20. Ayatollahi Mousavi SA, Salari S., Rezai S., Hadizadeh S., Kamyabi H. & Aghasi H Onychomycosis due to *Fusarium* spp. In patient with squamous cell carcinoma: A case report from Kerman, Iran

5th Iranian congress of clinical Microbiology, Iran (Shiraz), 2011

21. Ayatollahi Mousavi SA, Hadizadeh S, Mehrabani, Rezaiefar M Isolation of hydroalcoholic parts of *Myrtus communis* extract by Bioautography

First Congress of Medical Mycology, Iran (Sari), 2011

22. Salari S, Ayatollahi Mousavi SA, Esfandiarpour I Onychomycosis due to *Fusarium* in squamous cell carcinoma patient

EPS Hebei Biotechnology and Economy & Trade Forum, China, Shijiazhuang, 2011

23. S. A. Ayatollahi Mousavi Antifungal activity of Macro, Micro & Nano agents

2nd Congress in Medical Mycology, Iran (Ahwaz), 2011

24. Mitra Mehrabani, Seyyed Amin Ayatollahi Mosavi, Hosein Gholamzadeh Isolation of anti-dermatophyte compounds from *Myrtus communis* L. leaves

2nd Congress in Medical Mycology, Iran (Ahwaz), 2011

25. Bahareh Zihayat, Akram Noski, Mitra Mehrabani, Mehdi RezaieFar, Amin Ayatolahi Mousavi Antifungal activity of ethanolic extract of leaves "Myrtle" against *Microsporum gypseum*, *M. canis* and *Trichophyton mentagrophytes*

2nd Congress in Medical Mycology, Iran (Ahwaz), 2011

26. Ayatollahi Mousavi S A, Vahdat SA, Etemadi S, Poor R, Hajjaliloo E & Hadizadeh S The MIC of Different Formulations of Nanosilver is lower than Ketoconazole

Third Iranian Congress of Clinical Microbiology, Iran (Shiraz), 2010

27. Ayatollahi Mousavi SA, Moradi M, Vahdat SA, Moazezi NA & Hadizadeh S Nanosilver has a powerful Potential against the Growth of Dermatophytes

Third Iranian Congress of Clinical Microbiology, Iran (Shiraz), 2010

28. Ayatollahi Mousavi S A, Fekri A, Farajzadeh S, Vares B, Fekri S & Hadizadeh S Cutaneous Infection by *Fusarium solani* in an addict Man with Active Hepatitis C

First Congress of Medical Mycology, Iran (Shiraz), 2010

29. Haghdoost AA, Dehghani MR & Ayatollahi Mousavi SA The educational successful of scholarship students and its effective agents: systematic review of international documents

10th Iranian Congress of Medical Education, Iran (Shiraz), 2009

30. Haghdoost AA, Dehghani MR & Ayatollahi Mousavi SA The study of the educational condition of scholarship students in medical majors in recent years

10th Iranian Congress of Medical Education, Iran (Shiraz), 2009

31. Ayatollahi Mousavi SA, Rezaifar M, Vahdat SA & Hadizadeh S Nano-Ag Against Aflatoxin
10th Iranian Congress of Toxicology & Poisoning, Iran (Tehran), 2009
32. Ayatollahi Mousavi SA, Shahidi Bonjar GH, Moradi M, Kazemi AH, Aghighi S & Robson GD
Cloning of metacaspase gene expressed in the opportunistic human pathogenic fungus
Aspergillus fumigatus.
The 2nd national congress of cellular & molecular biology, Iran (Kerman), 2008
33. Moradi M, Kazemi M, Rezazadeh E, Ayatollahi Mousavi SA, Mousavi SA, Assar Sh. Evaluation
of mycobacterium tuberculosis among Afghanian immigrant by PCR.
9th Iranian congress of microbiology, Iran (Kerman), 2008
34. Baniasadi F, Shahidi GH, Baghizade A, Ayatollahi Mousavi SA, Aghighi S, Jorjani M.
Antifungal properties of Actinomycetes native of Kerman against *Sclerotinia sclerotiorum*,
phytopathogen of sunflower stem rot.
9th Iranian congress of microbiology, Iran (Kerman), 2008
35. Shojaee N, Shahidi GH, Ayatollahi Mousavi SA, Aghighi S, Rashidfarokhi P, Shojaee AR
Evaluation of antifungal activity of soil streptomycetes against post harvest green and blue molds
of citrus
9th Iranian congress of microbiology, Iran (K, 2008
36. Ebrahimi Zarandi M, Shahidi GH, Padasht F, Ayatollahi Mousavi SA, Aghighi S, Rashidfarokhi
P In vitro antagonistic antifungal activity of *Streptomyces sidenensis* strain 263 against
Pyricularia oryzae
9th Iranian congress of microbiology, Iran (Kerman), 2008
37. Ayatollahi Mousavi SA, Robson GD Cloning & Sequencing Genes in the Aging Cells of
Aspergillus fumigatus
2nd Advances Against Aspergillosis, Greece (Athens), 2006
38. Ayatollahi Mousavi SA, Khalesi E, Shahidi bonjar, Mirhandi, Aghighi, Sharifi F Study of
Antifungal & Antiyeast potential of two soil samples
First congress of Biotechnology - Relation among sciences-Brisht future, Iran (Kermanshah),
2005
39. Ayatollahi Mousavi SA, Khalesi E, Shahidi bonjar, Mirhandi, Aghighi, Sharifi F Molecular
testing of *Candida* species hospital samples by RCR-RFLP
First congress of Biotechnology - Relation among sciences-Brisht future, Iran (Kermanshah),
2005
40. Ayatollahi Mousavi SA, Robson GD Appearance of Apoptotic and Necrotic Markers in
Aspergillus fumigatus Treated with Various Concentrations of H₂
The 7th European Conference on Fungal Genetics, Denmark (Copenhagen), 2004
41. Ayatollahi Mousavi SA, Kazemi AH, Adipour M Mycotoxins in Aerosols in livens environ
mentors
Fourth National Congress in Environment, Iran (Tehran), 2004
42. Ayatollahi Mousavi SA, Kazemi AH, Akbai N, rajae M Methods of removing mycotoxins from
food
8th congress of Nutrition, Iran (Tehran), 2004
43. Ayatollahi Mousavi SA Caspases Activity in *Aspergillus fumigatus* treated with various
concentrations of Amphotericin B
The first International Congress of Cancer Genetics, Iran (Tehran), 2004
44. Aghighi S, Shahidi Bonjar GH, Rashid Farrokhi P, Ayatollahi Mousavi SA Biological Properties
of *Streptomyces plicatus*, a potent Donor of chitinase Gene for Development of Transgenic
Resistant to Fungal Pathogens
4th National congress of Biotechnology, Iran (Kerman), 2004
45. Shahidi Bonjar GH, Aghighi S, Ayatollahi Mousavi SA, Shahrokhi N Biotechnological Potential
of Iranian Actinomycetes in Production of Agrobioproducts

- 4th National congress of Biotechnology, Iran (Kerman), 2004
46. Nahrevanian H, Salmasi J, Farahmand M, Asmar M, Ayatollahi Mousavi SA Co-association of C-reactive Protein and nitric oxide induction in Malaria Patients from Endemic Provincial Areas of Iran
- 4th National congress of Biotechnology, Iran (Kerman), 2004
47. Kazemi A, Robson GD, Denning DW, Aivazi J, Somi MH, Mohammad-zadeh M, Ayatollahi Mousavi SA Identification, Isolation, Cloning and Sequencing a Partial Annexin Gene from *Aurebasidium pullulans*
- 4th National congress of Biotechnology, Iran (Kerman), 2004
48. Ayatollahi Mousavi SA, Robson GD Recognizing genes encoding Apoptosis by subtractive Hybridization
- 17th congress of physiology & pharmacology, Iran (Kerman), 2004
49. Ayatollahi Mousavi SA, Genes in stationary phase of *A. Fumigatus*
- 5th congress of parasitological infection, Iran (Kerman), 2004
50. Ayatollahi Mousavi SA, Robson GD Autolysis could happen similar to Necrosis even in Fungi
- 8th Congress of the European Confederation of Medical Mycology, Hungary (Budapest), 2002
51. Ayatollahi Mousavi SA, Robson GD Mechanism underlying Cell Death and autolysis in *Aspergillus fumigatus*
- The 8th Iranian Student Seminar in Europe, UK (Manchester), 2001
52. Ayatollahi Mousavi SA, Robson GD Cell death in *Aspergillus fumigatus* is associated with an apoptotic phenotype
- B.M.S postgraduate meeting, UK (Nottingham), 1998
53. Ayatollahi Mousavi SA, Shafeyan Sh, Rajae M Antidermatophytal activity of the onion extracts (In vitro)
- 3rd National pharmacy congress, Iran (Tehran), 1993
54. Zygomycosis infections in patients referring to major hospitals in kerman province in 2017-2018
- The 12th International congress of Clinical Microbiology, Kermasn, 0
55. Molecular detection of candida spp. isolated from immunocompromised patients in educational hospitals of kerman
- The 12th international congress of clinical microbiology, kerman, 0
56. Ayatollahi Mousavi SA An overview of mycoses and their agents in southeast of iran: More than a decade study
- The 5th iranian congress in medical mycology, Tehran, 0
